Friday, 9/6-12/13, 2:40-4:10, Addison

(No class dates follow Palo Alto school district calendar)

Bay Area Mandarin is not a traditional Chinese school. We offer after school Mandarin immersion program on school site for convenience and safety. Our class is fun, hands-on and engaging. We adopt whole-child and student-centered approach. Our curriculum is thematic and align with state world language standards. In each 90-minute class, the students receive instruction on words, sentences and cultural knowledge around a theme relating to their life, engage in conversational practice, arts and crafts projects, character writing practice, song and movement, interactive games, and storybook. After 2 years in our program, students are expected to pass at least Level 1 class in Middle/High school world language program.
